More than *a conference* Venue

A magnificent countryside setting only 10km from Dublin City Centre makes Castleknock Hotel the perfect venue for a refreshing incentive break. A wide range of leisure facilities on site and easy access to key Dublin landmarks and destinations provide unlimited opportunities for entertainment and relaxation.

Gather the team for a little good natured competition and enjoy a round on our on-site 18 hole golf course or head out for a spot of kayaking or fishing in the nearby River Liffey (just 1km from the hotel.) When it's time to unwind, our hotel spa offers a range of soothing treatments designed to quiet the mind and renew the body.

The Lobby

The lobby of the hotel is a stunning contemporary open-plan space with luxurious couches and furnishings, welcoming fireplace and several cosy booths along the wall for semi-private meetings. There is a small patisserie menu available in the lobby offering a range of delicious cakes, pastries and other snacks with a selection of premium tea, coffee and cold beverage options.

The Patio

Open to the public and guests of the hotel, the relaxed sun-filled plaza situated at the rear of the hotel with views over the rolling green fields and golf course blurs the edge between indoors and out with delightful effect. With a retractable roof providing shade, built-in heaters providing warmth and protection from the elements, The Patio is a large and comfortable outside space that welcomes guests to relax and read or work during the day and socialise in the evenings.

Outstanding culinary choices

22 Bar & Restaurant is our casual dining option. The dishes have been influenced by the cuisine of Southern Italy, but with our own Castleknock twist.

The Lime Tree Bar is a beautifully styled cocktail bar. The ambiance is sophisticated yet warm and welcoming. Enjoy a range of cocktails expertly mixed by our team and relax in the comfortable black and white tartan backed couches and luxurious tan leather booths, which can accommodate small groups together. Located just off the lobby, the bar overlooks the hotel patio with south facing views of the golf course and lake.

At Earth & Vine, our philosophy is simple. We want our dishes to be the best expression of the wonderful ingredients that we find right here on this Island. We've forged great relationships with some of Ireland's best artisan producers and are proud to call them our friends.
