CASTLEKNOCK HOTEL DUBLIN

We'll revel in
the details, you
revel in the day.

We intend to make it live long in the
memories of all those who share it...

At Castleknock Hotel, the only time you'll lift a finger is when you're admiring your new wedding ring. Leave the rest to us...

Relax and celebrate with the ones you love.

With everything under one roof and a devoted staff of wedding experts, we'll see to it that the day runs effortlessly. Our mission is to take the very best care of you and your guests. Your mission is to enjoy every last moment.

From the first time we meet, it's "happy ever after."

You're in good hands at Castleknock Hotel. We know how to make your wedding planning experience simple, fun and inspiring and how to ensure that the day itself is a dream come true.

When you have your wedding here, there's a sense of ease to everything. It starts with the location: all the convenience you'd expect from a city hotel, but with the magic of the countryside at your doorstep. Nestled between Phoenix park and the vast estate of Luttrellstown Castle, it's a stunning backdrop for your wedding and for the photos you'll cherish forever.

As for everything else, our dedicated wedding planner is on hand from the very beginning, to take all the stress out of the process. After a conversation about your dreams for the day, we'll help you choose a theme, select a mouth-watering menu and craft a schedule that flows. We'll make sure to include all the little touches that make your wedding day truly yours. Most of all, we'll be there every step of the way to give you the advice and support you need for a truly magical wedding.

It's the day you've always dreamed of and we're here to make it happen your way.

Our beautiful, flexible event spaces and our welcoming, creative team have everything you need to plan a wedding day that's truly personal to you.

Exchange your vows in the gorgeous St Mochta's Church, a 19th Century gem located just a five minute walk from the hotel entrance. Or, have your civil ceremony here with us in one of our beautiful ceremony spaces: the intimate Castleknock Suite, with its romantic balcony and view of the surrounding countryside, or the grand Walnut Suite, which can welcome up to 160 guests.

Once you've tied the knot, it's time for the festivities to begin! Toast your new life at a shimmering cocktail reception in the Earth & Vine restaurant, before moving into our elegant Phoenix Suite for dinner and dancing. This is a beautiful setting for a celebration you'll remember forever.

An adaptable layout, floor to ceiling natural daylight or elegant mood lighting and custom decor options offer wonderful possibilities to make this space your own. The gourmet seasonal wedding menu you chose with our Head Chef will be served with style. As the speeches wind down and the last bites are savoured, the party's just getting started. Strike up the band and head out onto the dance floor. With two fully stocked bars within the room and a private smoking terrace with canopy, heaters and exclusive access directly from the ballroom, your guests never need to leave the fun!

All of those little moments before and after your wedding day are precious. We'll make them count. Share a rehearsal dinner with the families in our contemporary farm-to-fork restaurant, Earth & Vine. Enjoy some pre-wedding pampering in our new luxury spa. Unwind with a round of golf on the rolling greens of our 18 hole course.

After a long day full of emotion and excitement, you can slip away to our magnificent Wedding Suite. It's a romantic haven of luxury and peace, the perfect place to relive your favourite moments over one last glass of champagne. The next day, extend the celebration with a laid back BBQ, where you can trade stories and spend more time with your guests after the whirlwind of a wedding.

At Castleknock Hotel, you can build a whole wedding weekend of unforgettable experiences under one roof. We'll take such good care of you and your guests, you almost won't want to leave for the honeymoon!
