Relaxation to a Tea

Arriving at 10.30, you will be greeted at The Spa with a morning refreshment. Enjoy some time in our health club and absorb picturesque views of the lake and parkland golf club.

Your therapist will then bring you to your ambient treatment room beginning with a 25 minute heated oil back, neck, shoulder and scalp massage followed by an expert luxury Elemis Spa Facial.

Top your treatment off with some time in our relaxation area lying on a comfortable lounge with tasty refreshments reading a glossy magazine or book to ambient sounds.

Complete your revitalising journey by enjoying a delicious Afternoon Tea in Earth & Vine Restaurant.
